

Warning Issued To Stop Trash Dump On Roads

Arrests May Result Should Dumping Practice Continue

U. S. Forest Ranger E. E. Boehm this week called attention to the flagrant violations of health and safety code with the promiscuous dumping of garbage and trash along the sides of roads in the district.

Boehm said that the practice is in direct violation of the law and that arrests will be made if the culprits are apprehended. Fines and jail sentences may be forthcoming.

There is no excuse for this dirty practice, the officer pointed out. He cited a number of instances where raw garbage, empty cans, bottles and other debris has been dumped in numerous unauthorized places, both in the Truckee and Lake Tahoe areas.

In some places unauthorized garbage dumps have apparently been established by the violators, he said, with forest service areas as well as road sides being contaminated with the debris.

THIRD PLACE TROPHY GIVEN BASKET TEAM

Truckee's town basketball team brought home a handsome third place trophy from the Andy Milich tournament at Lovelock, Nevada, which featured 16 of the top "industrial" basketball teams of Nevada and California.

The locals suffered only one loss in the elimination—that at the hands of the first place Hawthorne Marines in the semi-final.

In their first game last Friday night, the mountain men came close to being dropped off the boards by Caliente, salvaging a 46-44 win in the closing moments. The same night, the Colfax Fireballs, Tri-City champs, ground out a 30-point spread victory over Lund to earn the right to meet Truckee the next night.

Truckee picked up some of its lacking first night reserve strength and managed to stave off a last minute Fireball drive to win a spot in the semi-finals, 51-45. The Leathernecks, riding the crest of a similar tournament record, met the Mountaineers and kept the "situation well in hand," trouncing them 82-56, going on to measure Lovelock 70-62 for the tournament top honor.

Lovelock rated second honors while Truckee grabbed an early lead, held it and beat out Yerington for the "show" spot with a score of 62-49.

Upholding the local colors during the Milich tournament were A. Wakefield, P. Foster, B. Domgaard, H. Snow, L. Davidson, J. Flynn, J. Brehler, J. Lambres, R. Dixon and J. Rau.

STORES TO CLOSE FOR GOOD FRIDAY

Most Truckee stores will be closed between noon and 3 p.m. tomorrow in observance of Good Friday.

Signs indicating the stores which will observe the three hours are being posted in the windows by the chamber of commerce.

The Catholic and Methodist churches are preparing special services for Good Friday observance as well as Easter Sunday. Special music and sermons are scheduled for Sunday morning in the Catholic, Methodist and Christian Science churches.

STATIONS LOOTED, OFFICERS REPORT

Three dollars in cash and four packages of cigarettes were stolen during a burglary of Browne's Associated Y Service station some time Monday night.

Deputy Sheriff Roy Waters, who was called to make the investigation, said entrance to the establishment was gained through a rear window which had been broken out by the burglars.

Bob Hackett's Texaco station on West Main Street, was broken into some time last week but nothing was reported missing. Constable N. F. Dolley was called to investigate a broken lock on the front door.

NELSONS HERE BEFORE SAILING

Dr. and Mrs. L. D. Nelson and son, Douglas, are visiting with the William Gautsches during this weekend as the doctor, now serving in the Navy, prepares to embark on a transport in the near future. Since his enlistment, the family has resided in San Diego but plan to return to Truckee when Dr. Nelson is discharged.

Aid For Street Cleaning Asked By Committee

In an effort to keep the main street of Truckee clean, a committee from the chamber of commerce this week is appealing to local business people to either join the cleanup group at 5:30 Friday morning or provide a man to assist in sweeping and washing down the pavement.

The committee, headed by President Cliff Ellis, last Friday made the initial cleanup and it is proposed to continue the work each Friday morning.

Ellis said Chief N. F. Dolley of the fire department had agreed to permit use of the hose and hydrants to give the thoroughfare a thorough washing tomorrow morning and volunteers are badly needed to sweep the sidewalks and parking area. Everyone is urged by Ellis to join in the worthy project.

DICK BUEK WINS SKIING HONORS AT SUN VALLEY

Dick Buek, 23, Soda Springs, was awarded the Jim Griffith Memorial skiers' award at the 13th annual Harriman Cup race winners' banquet at Sun Valley, Idaho, this week.

The son of the Carl Bueks of Donner Summit was chosen for the perpetual plaque for his excellent racing record, his sportsmanship and his contribution to skiing. A member of the Sun Valley ski patrol, Buek this year competed on the highly successful Sun Valley Ski Club team and contributed heavily to his team's victory string across the nation.

DOCTOR CITED ON NARCOTIC COUNT

John B. Mysterly, supervising inspector for the state narcotics bureau, reveals that Dr. J. B. O'Neill, local physician, has been cited and released under bail on a charge of violating the state's narcotic laws.

Mysterly said the physician is charged with prescribing narcotics without a federal license.

Dr. O'Neill denied the charge when arraigned before Judge F. W. Wilson following his arrest by John L. Heinzer, a state agent, and Sheriff Wayne Brown. The doctor is continuing his practice.

MRS. ROBERTS IS NAMED DELEGATE

At a meeting of Summit Temple 79, Pythian Sisters, on March 26, Mrs. Hazel Roberts was elected as representative to a grand temple convention at Hoberg's in May. Mrs. Pearl Heller was named as alternate. Mrs. Roberts was also designated as district deputy.

The following evening, the Sisters conducted a pot luck supper at IOOF hall for their families, friends and members of the Knights of Pythias.

SAUNDERS SHOWS MOVIES TO CLUB

Robert Saunders, manager of Bank of America, last night presented moving pictures of the formation and development of the Federal Reserve System at the meeting of the Lions Club at Donner Lake Lodge. Pictures of the 1952 World Series were also shown.

Dr. George Hahn and Rex Reid were guests. Angelo Besio presided and Charles Heller was the program chairman.

JULIE BARNES IS PARTY HONOREE

Mrs. L. R. Barnes entertained at a luncheon birthday party in honor of their daughter, Julie, who is six years old today. The small friends invited to share the event are Eric and Julie Scow, Marcia Leamon, Stephen and Dennis Davis and Lewis Barnes.

April 1 Birthdate—

Mrs. Elden Tonini and daughter, Mary Ann, are guests of Mr. and Mrs. Clair Goode at Woodland. Miss Tonini celebrated her birthdate there April 1.

Last Rites For Dick Moretta At Sacramento

Veteran Railroader Passes Following Lengthy Illness

Truckee relatives have returned home after attending last rites for one of this community's oldest and best known residents, Dominic (Dick) Moretta, 72, who expired in San Francisco March 18, following a lengthy illness. Burial was in the East Lawn at Sacramento.

Moretta, a retired railroad man, was a native of Italy, born March 4, 1881. He came to the United States in 1898 and first went to Illinois, coming to Truckee in 1900.

The deceased had the distinction of being with the crew which shipped out the last carload of natural ice—at one time a principal industry here—from Polaris. That was in 1921. Since 1945 he had been in retirement because of ill health.

An ardent sportsman, Moretta was an authority on hunting and fishing in this district. He was a member of Elks Lodge No. 597 of Reno.

Surviving are two children, John and Menia, and brother, Louis, all of Truckee. A brother and a sister reside in Italy. His wife died here in 1946.

Sympathy of the community is extended to the surviving members of the family.

RED CROSS DRIVE FAR BELOW PAR

The current Red Cross drive for funds has been extended until April 15, according to Mrs. Glenn Miller as only \$350 of the goal of \$1,000 has been realized to date.

Those wishing to contribute may leave it at the Justice Court here. All of the surrounding areas have not been canvassed as yet and it is hoped that additional money will come in to swell the necessary quota.

MARTIN OROZ IS NOW IN AUSTRIA

Martine Oroz is reported to be stationed with the armed forces in Austria. Oroz is a grandson of Mrs. Steve Besio and son of Mr. and Mrs. Andrea Oroz, formerly of Truckee and now living at Centerville Nevada.

JAMES LEAMONS PARENTS OF SON

James Frederick is the given names of the first child of Mr. and Mrs. James Leamon who arrived Saturday, March 28, at Wilcox, Calif. The boy weighed in at a husky 7 pounds, 10 ounces. Mr. and Mrs. Leamon are well known here where he was the manager of Rasco for several years and Mrs. Leamon formerly taught school. The lad is a grandson of Mr. and Mrs. H. T. Langille.

FASHION SHOW SCHEDULED HERE

A fashion show and 12:30 luncheon will be held in Capitol Hall Friday, April 10, for members of the Wyethia Club. Cabona's and Besio's stores will have models show their summer and spring fashions for women of all sizes and children's clothing for tots to teen ages. The garments from the local merchants' stocks are suitable for vacation, street and house wear.

Reservations for the affair may be made at Cabona's Store.

1329 GIVEN AID IN THIS COUNTY

Direct aid to the needy went to 1,329 people in Nevada County during January, 1953, California Taxpayers' Association said, reporting on the extensiveness of the present public assistance program in the state.

Included in the people receiving relief in the county were 902 getting aged aid, 24 needy and partially self-supporting blind, 323 in dependent children cases and 80 on general county relief.

Sun Beams

by WALTER BARRETT

The costly fire at Pratt's Garage near Soda Springs this week brings to mind the narrow margin by which the bond election to provide additional and vitally important water to the area failed. It should also serve as a guide when the Donner Summit Public Utility District calls a second election for the same purpose. Unwarranted delays in providing facilities, as well as personal grievances which handicapped work, played a big part in the helplessness of willing volunteers when the fire started. In small communities particularly it is of utmost importance that all citizens unite for the protection and welfare of their homes and businesses.

In the Gateway and Meadow Park subdivisions, also, a lesson might well be learned from the Soda Springs fire. Although adjacent to one of the best volunteer fire departments in the state, these highly populated areas are without one bit of organized fire protection or facilities to combat a blaze. The Truckee Fire District commissioners, the department officials and the residents of the area have all indicated a desire to see the territory annexed to the fire district but the program is without sponsorship and apathy reigns. There should be definite action taken immediately.

WYETHIA CLUB SEEKING LAW FOR VEHICLE OWNERS

The Truckee Wyethia Women's Club is going into this safety program in a major way.

This week it was announced that the club has written Senator William Knowland and Representative Clair Engle asking them to sponsor a bill which would provide national laws requiring a compulsory insurance for all vehicle owners.

Suggested as a term of the bill would be that every driver or vehicle owner be required to carry adequate public liability and property damage policies before licenses could be issued. Petitions calling upon the representatives are currently being circulated, Mrs. Fred Pedley, Wyethia Club president, said.

The Northern District Federated Women's Clubs voted to support the measure at the Woodland convention last week when it was proposed by Mrs. Pedley.

The proposal also will be presented to the Federated Women's Clubs at the state convention in Los Angeles.

SUIT IS SETTLED OUT OF COURT

NEVADA CITY—The case of Roy M. Hanson against the Mountain Rotary Fuel Company has been settled out of court and dropped from the superior court calendar.

Hanson had sued for \$10,350, blaming the company for injuries he received in a gas explosion on February 2, 1952 at Brown's Sandwich Shop, where he was a cook. He said he was hurled to the floor and that an ice box fell on him.

DOUG BARRETT IS COUNTY CHAIRMAN

NEVADA CITY—Douglas Barrett, Truckee newspaperman, has been named chairman of the Nevada County Republican Central Committee to succeed Robert Paine of Nevada City, who resigned, effective last Saturday.

Barrett was elected by the committee at a meeting in the county courthouse March 28. He held the chairmanship for the 1950-52 term and was a vice chairman until Paine's resignation.

Recovering—

K. W. Faulkner, Southern Pacific roundhouse foreman, is recovering from a recent attack of pneumonia. He was in the Tahoe Forest Hospital where he was treated by Dr. George Hahn.

Floriston House Burns As Trash Fire Is Blamed

Volunteers Keep Flames From Spreading To Woods

Believed to have started from a trash fire 100 feet away, a blaze Tuesday afternoon completely destroyed a dwelling at Floriston, causing an estimated loss of between \$1,000 and \$2,000.

The blaze traveled swiftly through brush from its origin in the trash and leveled the structure, owned by Preston L. Wright, San Francisco real estate man, who a few years ago purchased the property at Floriston and sold many of the homes.

The razed house was not occupied and was uninsured.

Lyman Hicks, assistant ranger in charge of the Toiyabe National Forest, and Charles Swanson of the Nevada state forestry aided in preventing the spread of the flames. It was pointed out that had the brush and trees been drier a major conflagration could easily have resulted.

SUGAR BOWL WILL HAVE BIG PROGRAM DURING THIS MONTH

NORDEN—The Sugar Bowl has outlined a program for April which should be a big attraction for skiers, Walter Haug, manager of the popular resort, announced. Christian Pravda, Austrian Olympic ace, will be at the Bowl from April 12 until the end of the season to give private skiing and slalom lessons. Free slalom lessons for junior skiers 16 years of age and under will be given through arrangements with Bill Klein.

Herman Primus of Kitzbuehl, Austria, is scheduled to be at the lodge's ski school from April 6 until the season closes. He is famous for his zither playing and will entertain nightly at the lodge. The big event of the month will be the Silver Belt race scheduled for April 26, Haug said.

MOTHERS WILL BE FETED AT SCHOOL

The girls of the Tahoe-Truckee High School will honor their mothers with an evening's "Hi Jinks" in the high school cafeteria Thursday, April 16, at 7:30 p.m. A gala affair is planned with each class putting on a short skit. The program will also include a fashion show by the 7th and 8th grade sewing classes. Refreshments will be served to conclude the evening.

DRIVER ESCAPES AS CAR WRECKED

Roger Cressy, 23, Travis Air Force Base, was cited for speeding by State Patrolman William Gautsche Tuesday night after the former's car got out of control and overturned a mile west of Rainbow. No one was injured.

CARMITCHEL IS ROTARY SPEAKER

The Truckee Rotary Club met at Brown's Cafe Monday evening where the program was provided by Rev. A. A. Carmitchel, who presented a film, "Forward with Christ," and gave a talk on the stewardship of life in Christ as it moves forward in a local community.

Charles W. Stone of Hayward was a visitor.

TIMBER PLANS TO BE DISCUSSED

NEVADA CITY—Sixty Nevada County lumbermen will join officials of the Tahoe National Forest on April 7 for an open forum discussion of timber sale plans and the access road program to be followed in the government forest. The meeting will start at 9 a.m. in the Veterans Memorial Building in Grass Valley.

Guerdon Ellis, forest supervisor, said the meeting results from frequent requests for it by the lumbermen.

Egg Hunts Are Scheduled Here And At Tahoe

TAHOE CITY—The Tahoe City Volunteer Fire Department is sponsoring an Easter egg hunt on the Tahoe Commons at 11 o'clock Sunday morning.

All children in the vicinity from as far east as Lake Forest and as far south as Tahoe Pines are invited to participate. Pete Vanni, chairman of the committee in charge, said there will be first and second prizes.

The Truckee Twenty-Third Club is sponsoring an Easter egg hunt for children of the community on Sunday, April 5, at 1 p.m.

The youngsters will congregate at the Truckee Elementary School with Jack Ellis, Tommy Patterson and Jim Morhain on the committee to greet them and direct the search.

TWO INJURED AS CAR GOES OVER AFTER COLLISION

Miss Margie Osburn, 17, and LaVerne Hocker, 20, both of Truckee, were in the Tahoe Forest Hospital this morning with injuries suffered in an automobile collision on the Tahoe-Truckee road last night shortly after 8 o'clock.

The car driven by Hocker sideswiped another car driven by Thomas H. Sutton, 38, of Piedmont and plunged over the embankment. No one in the Sutton car was injured. State Patrolman William Gautsche is making the investigation.

LUMBER WORKERS HOLD FIRST AID CLASS AT SCHOOL

The first aid class for lumbermen, after a week's postponement due to a storm, got off to a good start with 23 persons present last Thursday evening at the high school.

Earl Spitzer, safety engineer for the state division of industrial safety, department of industrial relations, which is sponsoring the course, said he was well pleased with the interest shown by the local people in the vital training. Gordon Butterfield, the American Red Cross instructor, conducted the class and Spitzer showed movies covering prevention of strained backs and other preventive measures to be used in handling logs and lumber.

Lew Baysinger of Stockton Box, with eight employees, Ed Crandall of Crandall Brothers, the utility district, Southern Pacific, school bus drivers and others were present.

Due to the Easter Week holiday no instructions will be given this week but classes will resume for the full course next Thursday at 7 p.m. in Room 9 at the high school and everyone is welcome to attend.

AUTO SUIT IS REPORTED OVER

NEVADA CITY—Harry LaGuardia, reporting a settlement, has ordered dismissal of his superior court suit for \$554.83 damages against Harold W. Westfall. He had charged Westfall had left a car, without flares, in the middle of Highway 40 at Donner Lake the night of February 24, 1952, causing LaGuardia's machine to strike it.

FARLEY LEADS BAY BAR RAIDS

State board of equalization officers raided eight San Francisco bars and night clubs last week in a general clean-up of vice conditions in that city. The agents, who made 24 arrests last week, were led by Russell Farley, well known in this area where he lived and worked for several years as enforcement officer for the board.

Enjoy Trip—

Mr. and Mrs. I. Firpo returned from Encinitas where they left daughters Stephanie and Vickie with Mrs. George Slater for a few days vacation. Sunday the Firpos will again meet the family at Merced for the return trip.

Huge Loss As Fire Destroys Summit Garage

Valuable Cars Are Burned While Buildings Are Destroyed

Lack of water in a nearby main prevented volunteers from doing more than stand by helplessly on Saturday afternoon when a roaring fire destroyed Pratt's Garage and 18 automobiles at Soda Springs. Loss was estimated at upwards of \$100,000.

Believed to have started in the boiler room, the fire quickly spread through the three-story frame building. The two lower floors were used to house cars and the upper portion was unoccupied living quarters.

The 18 cars included eight Cadillacs, four Buick Roadmasters and a Lincoln Cosmopolitan.

Harry Pratt, owner of the garage was tending the gasoline pumps in front of the establishment when he noticed smoke emerging from the main door. He ran inside but the terrific heat prevented him from removing any of the stored cars, most of which belonged to skiers.

Station Razed
Soon the filling station caught as did a quonset building where Mr. and Mrs. Pratt resided.

All available fire extinguishers in the neighborhood were rushed to the scene but nothing could be done except watch the gasoline fed flames continue to devour the garage and adjacent buildings. Fortunately the snow prevented the flames from spreading to other nearby establishments or to the forest.

The Crest nearby suffered some broken windows from the intense heat but the building itself was saved as skiers dug trenches in the snow and threw snow along the exposed side of the structure.

Highway Blocked
State patrolmen blocked U. S. Highway 40 for two hours to protect drivers and vehicles.

The Big Bend Forest Service truck was undergoing repair at Nevada City and was not available. A fire district truck eventually arrived from Tahoe City but was too late to be of assistance.

Residents Critical

Many residents of the area were frankly critical because of the shortage of water in the nearby main. They called attention to the fact that a bond issue which failed to secure the necessary two-thirds margin by a single vote last year would have provided funds to give the area an adequate water system.

Brant M. Chaplin, president of the Donner-U.S. 40 Chamber of Commerce, indicated following the fire that it is planned to revive the proposal in another election to be held this spring. Directors of the Donner Summit Public Utility District have been waging a hot fight to get better facilities for fire protection as well as water for domestic use in the area.

It was also emphasized by residents of the area that had work been permitted on the Virgil Jones water system when it was started last year there might have been ample water in the main to combat the fire.

ALTURAS MAN IS INJURED BY AUTO

Francis Coney, 33, Alturas, was injured Friday morning after his car went off the grade half a mile west of Floriston and overturned. He was cited for speeding and being on the wrong side of the highway by Patrolmen William Gautsche and Carroll Maynard.

NO POST OFFICE FOR AREA WEST

Postmaster E. C. Bavie this week received notification from the office of the postmaster general at Washington, D. C., advising her that establishment of a contract post office between Truckee and Donner Lake is not presently practical.

Two applications for conducting the office, a branch of the local post office, had been received after bids were requested by the department.

The action in denying the applications was taken after an investigation of the needs, Mrs. Bavie said.

LOCAL COURT HAS BIG FINE MONTH

Fines and fees collected in the Truckee Judicial District Court during March and sent to the county treasurer by Judge Foster W. Wilson totaled \$2555, with another \$25 going to the state department of fish and game.

Of this, \$49 was for civil cases, \$30 for criminal actions, \$50 for fish and game violation and \$2451 for motor vehicle code cases, for a total of \$2580.

Tahoe Topics

by ETHEL J. VERNON

Our Tahoe weather gradually tapered off into real spring as March, with its blustering, drew to a close. Partially cloudy Friday, with a half-hearted kind of storm wind rising from the southwest; Friday night and Saturday this locality was treated to an occasional sprinkle of very wet snow. The new snow which accumulated from the storm a week ago has completely melted away in this vicinity, leaving a solid, shrinking pack, which is now beginning to be a little "thaw rotten." The Tahoe City lake front along the commons is now free of snow, with only small puddles of water left in the old road bed and the bank

sheltered warmth and spring like atmosphere there is beginning to attract visitors to park their cars along the beach once more. Butterflies are showing up on the hillside there and summer birds are now beginning to appear in flocks. We believe that spring at last has sprung!

The spring clean-up on the Tahoe City Commons will be begun some time this week, according to C. W. Vernon, utility district president, who heads the committee of ways and means for beautifying the commons and the Tahoe City entrance. Vernon is having last fall's and winter's debris gathered and burned or hauled away and weeds, roots and excess brush taken out of beach spaces where the sand is to be spread later.

According to Carol Raymond, secretary-manager of the chamber of commerce, a misunderstanding has arisen over the question of Placer County's participation in the program to replenish sand on the Tahoe City Commons beach. Frank Paoli, as chairman of the county board of supervisors, has written the chamber to the effect that permission was granted to haul sand from the pit on the Truckee River at a cost of 25 cents per cubic yard, which is the cost to the county itself, as it is understood the county is leasing the pit.

A good local attendance was on hand for the Tahoe City Rotary Club's meeting at Tahoe Inn on the evening of March 24, presided over by Denis Sach. Guests for the evening included Max Porter of Tahoe City; Clifford Anderson, a Tahoeite residing in Auburn for the winter; Jerry Gordon and Ace Abbott of Brockway Rotary. There was a discussion concerning the Rotary conference which is being held early this week at Elko, Nev., and attendance at the conference by the local club was solicited. A half-hour length movie shown was titled "Phonovision." This picture dealt with the possibility of television with telephone connection. The Rotary Club's children's show for the next evening was held in the Community Center and the hall was packed to capacity. The picture, titled "Stage Coach," pictured wild west days with John Wayne and Andy Devine in leading roles.

The Cub Scouts of Tahoe City put on their Mardi Gras last Thursday evening at the Tahoe Lake School here, aided by the scout mothers. It was a gala occasion and drew a crowd that numbered, besides local attendance, many from other lakeshore communities as well as some from Truckee. The interesting entertainment was also something of a financial success, as the proceeds from games, sales and tickets amounted to more than \$50.

The ski slopes of Squaw Valley seem to have been a little rough and icy from want of new snow during the weekend. Two visiting skiers sustained broken legs on the slopes there Sunday. One was Al Thomas of Newcastle and the other Mrs. M. B. Kellar of Long Beach. Both were removed by ambulance to the Tahoe Forest Hospital, where they were given first

aid by Dr. Jose Nessim.

Mr. and Mrs. Joe Frey of Tahoe City returned to their home late last week from a two weeks motor trip through Nevada, Arizona and into Mexico. Upon leaving Tahoe, they headed for Boulder Dam, spending two days in Boulder City. From there they visited and inspected the giant dam. From Boulder, they traveled to Nogales, on the U.S.-Mexico border. From there they went to Guaymas, Mexico, spending six days there. On the return trip, the vacationers stopped at Laguna where they visited for two days at the ocean side home of Mr. and Mrs. Fred Main, who spent most of the winter there. After here return to the lake, the Freys entertained house guests including Mr. and Mrs. Wm. Bosen and two daughters, former Tahoeites now of Concord, and Mr. and Mrs. James Drake and daughter, also of that city.

Announcements to Tahoe friends this week tell of the birth of a son to Mr. and Mrs. Herman Rauh, former Tahoeites now residing in Sacramento. The mother is the former Beverley Porter, daughter of Bishop and Mrs. Noel Porter and the baby is the tenth grandchild of the Porters. He arrived March 24 and has been named John Richard.

A letter from the "wandering Valentines" this week reports their well and happy and touring Central America by airplane. The letter was mailed from Guatemala and the beautiful stamps covering almost a fourth of the envelope would greatly add to anyone's stamp collection. Mrs. V. writes in part, "We had three days at Yucatan, seeing the pyramids at Chichen-Itza" and goes on to explain that she pronounces the name of the place "Chicken Itchy."

Entertaining over the weekend was Mrs. Dorothy Forbes in her

lakeshore home. Guests were Mr. and Mrs. W. H. Wakefield Jr. of Piedmont.

Mr. and Mrs. Waldo Gross returned to their Lake Forest home this week after spending the winter in Sacramento. They are going to be busy for a couple of weeks with extensive remodeling before opening their Lake Pines cottage court for the summer.

The Archibald lakeshore home at Carnelian Bay was temporarily opened for a few days during the week for a house party of college students. Among the young people were Don Ham, Dick Breuner and George McCormack, all of Stanford.

Mr. and Mrs. Gardiner Mein and a party of friends from Piedmont were weekend guests at the summer home Mrs. Dorothy Earle of Lake Forest.

Captain and Mrs. Shinnors of Weimar were Sunday dinner guests at the home of Mr. and Mrs. A. M. Anderson of Tahoe City. Mrs. Anne Simpson, who has

rented a cottage from Max Goodman on Lakeview Drive since her return to Tahoe early last winter, this week purchased a home on River Road. She bought the place from Mrs. H. Larson, who only last summer purchased it from the Brumfields. Mrs. Simpson plans extensive remodeling before moving in this summer.

Vernon Forsberg of San Diego arrived Saturday morning to visit his wife, Audrey, who underwent a minor operation in the Tahoe Forest Hospital recently. Mrs. Forsberg has now been released from the hospital. Her husband took their son, Michael, and daughter, Patricia, home with him on Sunday to spend their Easter vacation week in San Diego.

Mr. and Mrs. Al Henry Jr. motored to San Francisco for a few days last week and while there visited the automobile show.

The Tahoe Inn was booked to capacity during the past weekend. One prominent family among the guests were Mr. and Mrs. Johnny

O'Grady and three children of Salinas.

Tom Quinn, who moved from Tahoe City to Sunnyside Beach for the winter, is commuting from there to his work in Squaw Valley now. Quinn, a carpenter, is working on a building project there for Wayne Poulsen. Poulsen, a pilot for Pan-American Airways, is at present on an extended flight (Continued on Page 5)

SUMMIT SCENE

by FRAN COUILLARD

Headlines have already informed you that Harry Pratt's Garage, representing a life-time of savings and back-breaking labor, fiercely billowed and roared itself away last Saturday afternoon on an altar of procrastination and shortsightedness.

The stormy sessions of the Donner Summit Public Utility board meetings are no secret to most who own property—or would like to own property—in the Donner area. Starting way back when our Yuba River was blessed for its "pollution," the far sighted reached the conclusion that a pure source of water had to be found or the

future of the area was under a shadow. One analysis brought the conclusion that a water district, or company, would not solve the problem for the very nature of the pollution would call for further measures in the control of the seepage that was the basis for the contamination. Other systems for areas such as ours were investigated and in time the Donner Summit Public Utility District became a reality by a majority vote.

The directors' table almost immediately became a fence dividing opposed viewpoints. The bone of contention was that lodge owners, who stood to benefit most by a pure water source, should bear all expenses of the utility whilst private home owners contended that the source of their water was their

own business and that their share of taxes to be used in the establishing of a utility was grossly unfair. Engineers brought plans to the directors' table, based on their survey of the area for water sources. The opposition suggested that a small water system already in existence be purchased and augmented. This was done at a meeting where the dove of peace timidly ventured for a short flight. All of this was using up valuable time—time punctuated by the demands of the board of health to "get going or else"—and "or else" meant the closing of lodges, representing millions of investment dollars.

Now there seemed to be nothing standing in the way of developing the new water source—except money. Members of the board and other citizens helped unload the five inch pipe that would take the pure water into the homes and lodges. Members of the board stood knee deep in snow and icy water to watch the first action of the pump that was installed in a well, drilled to augment the newly purchased system. Pumps, pipe and engineers, laborers, surveyors and attorneys—all of these called for money and more money.

And so a vote on an \$85,000 bond issue to be paid off in 40 years was called. The opposition defeated the bond issue by one vote. In the meantime the five inch pipe had been buried in its ditch, which looked as though it might become its grave, for this winter's early snows came, valves were lost under their covering of snow, possible leaks in the pipe line reduced pressure on the "trial run" so the five inch pipe line that would service the western end of Soda Springs was empty of water. So the

holocaust not only destroyed Pratt's buildings but for a while threatened all adjoining buildings as a west wind blew sparks and sailing fire through the air. We on the east of that wind watched the flames blow our way and felt the heat of the inferno being fed by gasoline, oil and anti-freeze. As we numbly packed our prized possessions, we looked toward our hard fought for pipeline—empty of the only substance that could possibly save us. Good round cursing on the part of those in the threatened area, the wringing of hands, tear stained faces—all these and more were part of the big show—and then the wind changed.

Now, with determination, once discouraged citizens vigorously declare their desire to serve on the utility board. We believe the transformed faces of those discouraged Soda Springs citizens will lead to the necessary action to get the grave shrouds off of their supply of safety and lead the way to a new and progressive vacationland. Jim Sherritt, large land owner and citizen of this area, states that fire insurance rates in the area make it prohibitive for new business—and prohibitive for present operators and residents to carry full coverage and almost inevitably this would drop if that water line were filled. Most of all, our only industry, recreation, could come into its rightful heritage.

You know Bertha Chaney? She has been Donner Summit Lodge's head waitress for years. Bertha's tips, saved through the years, went into a car. Bertha's mementoes—little things which mean something only to her, such as family pictures, pretty linens—all these and more were in her car—and her car was one of those in Pratt's Garage. She continued to wait on table while her car burned, tears running down her cheeks. And she didn't forget an order!

Charlie Secco of Crest Lodge watched the sides of his building scorch and smoulder, watched the heat crack the windows in his building, heard the water from the forest service trucks sizzle as its inadequate streams played against his building. As we stood in our doorway, hearing the roar of flames and feeling the blast of heat, we noted the highway was filled with localites and strangers hurrying to the scene with bucket, shovel and fire extinguisher. These were dropped when they reached the scene—there just wasn't anything that could be done.

From the fierce and destructive we turn our face toward Resurrection Sunday and announce that Soda Springs Hotel entertains the many youngsters of the community with their 10th annual Easter Party. This is the social event of the year for the small fry. Ski suits, ski mittens and ski boots are set aside for dresses, suits, gloves, mary-janes and oxfords. high chairs are much in evidence while mothers scoop into open mouths Easter breakfast goodies. Breakfast over, the youngsters are

NORTH TAHOE

by JUDGE HARRY CHARRISON

The Council of North Tahoe Organizations met at the Kings Beach school house on the evening of March 27. A full attendance was on hand and a lively discussion was heard relative to the proposed organization of a group insurance plan for people of the community through the council. Fred Steiner and William Royer of New York Life gave some highlights on the subject, after which President Walter Mandeville appointed a committee to look into the plan, including Rube Welch, Mrs. Kay Wnig, Mrs. Margaret Madden, Mrs. Clara Van Hooser and Dr. Jose Nessim. Mac Burroughs gave a very interesting report on the roads of this area, which according to him are in for some vast improvements.

The Ashtons are due up from Sacramento to open their apartments this Saturday.

The Meredith Siples are back at their home in Pine Grove Cottages at Tahoe Vista after spending the past winter in Glendale and in the Hawaiian Islands.

The Harry Masons were up over the weekend readying their Lake-point bungalows for the coming of the summer season. The Masons have a home in Sacramento.

Nice to have our County Supervisor, Frank Paoli of Applegate, and his good wife staying at the lake for a week. It was supposed to be a vacation but everybody was after Frank for one thing and another. They stayed at Sorensen's Motel in Tahoe Vista.

The Arnold Miedemas of Kings Beach have gone to Pasadena to attend the wedding of their son, Bill.

A delightful baby shower was held at the home of Theresa Sutton. I hear it was for a certain lady by the name of Jean Paoli from down Applegate way, to be Frank about it.

At the regular meeting of the

turned loose to hunt for the traditional colored candy and hard boiled eggs. Prizes for finding the most eggs are usually live chicks and cunning rabbits.

The mountain sport lovers who journeyed to Sacramento last week for the intercollegiate boxing matches included John Finnegan, Jack Woodard, Ralph Rowton, Art Couillard, Johnny Richards and Bud Zorich. Bud, incidentally, returned to Soda Springs with a new Town and Country wagon.

Patterning the enthusiasm of the Donner Trail racers, the San Francisco Viking Club start their own cross country jaunt next Sunday. According to Bob Anderson, the course will start at Soda Springs, trail around beautiful Ice Lakes, cut over to Sugar Bowl around Lake Van Norden and be in length about 10 miles.

Kay and Joan Jansen with new Great Dane, Dido, spend a week at Soda Springs. Gloria Parrott and two children take off for Sacramento for a week's vacation. Lodges are pretty well stacked with Easter vacationers.

Milton Hogle announces that on a recent trip to Sacramento he happened to strike the day that members of the El Dorado County Chamber of Commerce were fighting for greater recognition of Highway 50. Know one from our area for forty, naturally.

Donner Summit Lodge held its annual banquet for the Yuba-Sutter Ski Club this past Sunday night—61 strong and as nice a group as we've ever seen. Community singing and awarding of trophies for their day's races were highlights. Monday night at DSL, vacationers were treated to an hour long movie of highlights of professional football games in '52. Former football coach Jim Hole, who brought the movies for showing, made an introductory address. Following the movies, Bob Snyder entertained with his incomparable ukelele renditions.

Get in on the fun! Join the women who are winning prizes for sending in ideas for this column! Today the Crystal Maid gives you a spring menu built around the recipe for lobster curry sent by Mrs. John A. Riis of 13th Avenue, Sacramento. And Mrs. Riis receives a \$5.00 package of Crystal Dairy Foods for her recipe. Send your favorite way of using one or more of the Crystal Dairy Foods to: "Crystal Maid," 1013 D Street, Sacramento, California.

PARTY LUNCHEON
Mrs. Riis' Lobster Curry
Rice Croquettes
Lime-Grapefruit Salad
Crystal Car-A-Mel Ice Cream
Coffee

MRS. RIIS' LOBSTER CURRY

2 lbs. Crystal Butter
1 small onion, minced
1 tbs. flour
1/2 cup Crystal Cream
1/2 cup water
1 can (6 1/2-oz.) lobster
1 tsp. curry powder
Salt and pepper to taste
Brown the onion in Crystal Butter. Add flour, stir until smooth; add Crystal Cream, water, seasonings. When mixture thickens add the lobster meat, shredded. Simmer a few minutes.

Mrs. Riis suggests the croquettes or potato cakes, very hot, as an accompaniment. It might also be served on crisp crackers or toast.

Crystal's Flavor-of-the-Month, Butter Car-A-Mel Ice Cream, has a rich, caramel candy flavor that has kids licking their lips and grown-ups asking for more, too!

Buffet Cheese Mold
1/2 lb. Crystal Cottage Cheese
6 oz. cream cheese
1/2 cup Crystal sour Cream
1/2 cup Crystal sweet Cream
3 tbs. minced chives
1 tbs. grated onion
Dash cayenne
1 tsp. celery seed
Combine the two kinds of cheese and the sour cream (season with salt to taste) and rub through a fine sieve. Blend until very smooth, add the Crystal sweet Cream and put through sieve again. Stir in the chives, onion, cayenne and celery seed. Place the mixture in a colander lined with cheesecloth to drain overnight in the refrigerator. Next day pack the mixture into a fancy mold, lined with cheesecloth. Unmold on a platter, remove cheesecloth, garnish. Build a buffet supper around this excellent dish!

A tall, cool glass of Crystal Buttermilk, all flecked with golden bits of butter, is just the refresher a busy gardener needs!

How to get more work from your heavy-duty engines

You can reduce "down time" and save on operating costs by lubricating your diesel and heavy-duty gasoline engines with RPM DELO Heavy Duty Lubricating Oil. Specially compounded, it resists corrosion, prevents the formation of harmful engine deposits, keeps contaminants dispersed and stops foaming of oil in the crankcase. With RPM DELO Heavy Duty Lubricating Oil keeping engines clean and cutting wear, they will run smoothly, develop more power and do more work. They will stay on the job and need less overhauling. Get RPM DELO Heavy Duty today.

very fast growing area.

The Harry Harrisons are back in their home on the golf course after a stay in the Siple cottages during the winter.

The R. H. McKees are back at their beautiful home in Carnelian Bay after a stay with their son and family in Bakersfield.

Mrs. Walter Bailey and children are spending Easter vacation in

Oakland with Mrs. Bailey's parents.

Don Germain is up at Kings Beach from San Pedro, staying with the Byron Abbotts.

Nice to see Pearl Moore back in the Kings Beach Variety after a siege with that demon 'flu.

Mrs. Walter Mandeville is at home at Incline Beach after undergoing an operation in the Tahoe Forest Hospital at Truckee. Seems the ordeal was successful and from now on everything is going to be

STATE'S 60,000 TEACHERS URGE INTEREST IN PUBLIC SCHOOLS WEEK

Rex H. Turner, president of the California Teachers Association, advised George D. Gavin, general chairman of the 34th annual Public Schools Week, April 27 to May 2 that the 60,000 teacher members of his organization will give this event their full hearted cooperation.

"Those who originally conceived this program and those who each year carry on Public Schools Week have rendered an invaluable service to the people of California," Turner wrote.

"The greatest financial investment America has ever made is that made in the boys and girls through the public schools. Unless the public takes an active and vigorous interest in this investment, profits will be jeopardized. Schools will be good in ratio to the interest the public takes in them. Our republic and its spiritual and material achievement is inextricably related to the educational level of our country."

LOON'S LENGTH

The common loon grows to a length of about 2 1/2 feet.

wonderful. Mrs. Skaggs was the baby sitter for the children and says it was pleasure because they were little angels.

Mr. and Mrs. Stanley Klein and J. Clarke Allen of Kings Beach have asked for permission from the court to withdraw charges and counter-charges of assault and battery.

Mr. and Mrs. C. O. Schrader are back at Tahoe Vista, having spent several months at their Los Angeles home.

Phyllis Chatwin was nine years old Thursday, March 26. After school she had a party at the Kings Beach school so that all her classmates could join in the celebration. "Cobbler Mend My Shoe" was the game played. Easter favors, balloons and comic books were given to each child. Ice cream and birthday cake were served by Mrs. Hollis Chatwin, Phyllis' mother, and Mrs. M. Humphries.

A request for construction of a veterans' memorial hall at Kings Beach has been presented to the board of supervisors. The hall was endorsed by VFW Post 7907 and a site is available for the building, the board was told. Cost of the building was estimated at \$150,000. The supervisors were requested to take the matter under advisement and study it further.

ELECTRICAL TIPS FOR THE HOME

3 WIRES GIVE VOLTAGE CHOICE If you want greater electrical capacity, start modernizing with a 3-wire service. When 3 wires are installed, both 115 and 230 volts are available for different appliances. The electric range, clothes drier and air cooler are a few using 230 volts. Most other appliances and all lights work on 115 volts. The 3 wires should be of No. 4 size for homes under 1,000 sq. ft. No. 2 size for larger homes.

MATCH PANEL TO SERVICE WIRE When installing an up-to-date electrical system, make sure your main switch or circuit breaker panel is up to the capacity of your 3-wire service. If it isn't, you lose the benefit of a larger service because the main panel governs the amount of electricity which flows through your wiring system. In selecting a panel, be sure to ask for one that will provide for appliances you may add in the future.

By Jack K. Hansen, Deputy Clerk. m19-26a2

TAHOE TOPICS
(Continued from Page 2)

which will include Tokyo. Mr. and Mrs. Ray Fellows motored to Sun Valley, Idaho, with their skier son, Lewis, for the weekend. Lewis was to take part in the ski tournament there on Sunday, competing for the American Legion in downhill and slalom. A week ago when Lewis participated in the national junior competition at Alta, Utah, he won fifth place in the combined, second in slalom and seventh in downhill, skiing under the banner

of the Lake Tahoe Ski Club. Among Tahoe families who motored to Carson City during the past week to view the Herbert Mattheus model home on exhibition there were Mr. and Mrs. Jay Shontz and family, Mr. and Mrs. Max Porter, son Bob and daughter Donna.

The novel idea of a family entry tournament at Sugar Bowl during the past weekend went over big, according to Tahoe spectators. Family groups entered from the Lake Tahoe Ski Club included Mrs. Justine Cushing and daughters, Justine and Lilly of Squaw Val-

ley, and Pete Huega and sons, Robert and Jimmie of Lake Forest. J. E. Pomin of Idlewild, who for the past three weeks has been on a vacation tour with his cousins, the E. H. Pomin, dropped off the tour last week for a visit with Rufus Kingman in Palo Alto. His nephew, Joe Pomin, had recent word that his uncle would return here the first of the week. Joe and Betty Pomin, in their Tahoe Pines home, are entertaining Joe's cousin, Eddie Irvine Jr., a Navy man on furlough from his station in San Francisco.

A wire to Mr. and Mrs. A. M. (Joe) Henry Tuesday this week told of the death of his brother, Thomas Shadwick Henry, 78, at his home in Rosemead. The local couple have left for that city to attend the funeral services to be held at Alhambra Friday afternoon. The deceased, who had been a visitor at the lake, is survived by his wife, Josephine; a daughter, Mrs. Harold Bailey of Stockton; two sons, Eugene of Santa Cruz and Frank of Alhambra; five grandchildren; two sisters, Mrs. Mary Obenaus and Mrs. Augustus Stark, both of Sacramento; brothers, Charles Henry of Pismo Beach and the Tahoe man.

IT'S WISE TO ADVERTISE!

TAHOE SHORELINE ROAD GIVEN NEW NUMBER BY STATE DEPARTMENT

The hitherto unnumbered highway along the north shore of Lake Tahoe between Tahoe City and the California-Nevada boundary has been designated as State Sign Route 28, joining Nevada Sign Route 28 at the state line, according to the division of highways' latest master map of highways in California. The former State Sign Route 28, which extended from State Sign Route 1 at the mouth of the Navarro River to Winters, Yolo County has been redesignated State Sign Route 128. This made possible the assigning of number 28 to the Lake Tahoe north shore route.

MARCH DEPARTS IN MINOR FLURRY OF SNOW

TAHOE CITY— March, 1953, left the Tahoe City region in a blaze of spring glory after a brief snow flurry Saturday night, which left .02 of an inch precipitation and a trace of snow. The lake level Monday morning at 8:00 was 6227.59 with all gates open. Snow on the ground measured 34 inches at that time, according to Arthur Frodenberg, the official observer. Daily high and low temperatures were March 23rd: 47, 22; 24th: 52, 26; 25th: 49, 29; 26th: 52, 25; 27th: 55, 23; 28th: 43, 26; 29th: 40, 28; 30th: low 23.

PLACER PLANNERS APPROVE REZONING OF LOTS AT LAKE TAHOE COMMUNITY

AUBURN— The Placer County Planning Commission has approved the petition of Elston R. Garrow and Thomas Thatcher for the rezoning of property at Carnelian Bay, Lake Tahoe. The rezoning will go to the board of supervisors for final action. The proposal would increase the multiple purpose area by 22 lots and the commercial district by three lots. It was protested by several summer residents of the district.

The pinon pine seldom reaches a height greater than 18 feet.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on April 15, 1953, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing railing on bridges on State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, across Truckee River and over the Southern Pacific tracks at Hinton, about 9 miles east of Truckee (III-Nev-38-B), railing on two bridges to be constructed.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate per hour
Carpenter	\$2.60
Cement finisher (journeyman)	2.57
Concrete mixer operator (up to one yard)	2.28
Concrete mixer operator (over one yard)	2.61
Flagman	1.85
Laborer	1.85
Operator of jackhammers-vibrators and all air, gas and electric tools	1.95
Painter (brush)	2.40
Pile driver man, bridge, wharf and dock carpenter	2.7075
Reinforced steel worker	2.60
Truck driver (less than 4 cubic yards water level capacity)	1.89
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)	1.99
Truck driver (8 cubic yards and less than 12 cubic yards water level capacity)	2.19
Truck driver (12 cubic yards water level capacity or more)	2.39
Any classification omitted herein not less than	1.85
Overtime - not less than one and one-half (1½) times the above rates.	
Sundays and holidays - not less than one and one-half (1½) times the above rates.	

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

DEPARTMENT OF PUBLIC WORKS, DIVISION OF HIGHWAYS.
G. T. MCCOY, State Highway Engineer.
Dated March 20, 1953. m26a2-9

DRAMATIC READING ON CLUB PROGRAM

Mrs. H. C. Johnson of Marysville, state hostess for the federated women's clubs, will give a dramatic reading on "The Easter Story" at the 8 p.m. meeting to be held tomorrow evening in the Wyethia Women's Club edifice.

Awards will be given for the most novel hats, each member joining the parade to be held before refreshment time. Hostesses for the evening will be the same as previously announced for the March 23 meeting, cancelled because of storm conditions.

California produces 93 per cent of the nation's walnut crop.

CARD OF THANKS

We wish to thank our friends and patrons for their splendid reception of the reopening of our M&E Coffee Shop; for their beautiful floral pieces and for their many kind compliments.

Mary and Ernie deLisle

FOR SALE— '47 Frazer. Clean, good condition and tires. Equipped with radio, heater, overdrive. Price \$695. Call Tahoe City 391J or contact Dick Car-nell, Tahoe City.

IMPROVING BEACH AT TAHOE; POLICE OFFICER PLANNED

TAHOE CITY—C. W. Vernon and Bill Jenkinson reported on their progress toward improving the beach at Tahoe Commons at Tuesday night's meeting of the Tahoe City Rotary Club. Vernon also said that, starting about the middle of May, there will be a police officer on duty for the summer in the interest of greater safety in the area. Loren Holmwood, noted artist, will sketch a picture of how the commons will appear when the trees along the beach are removed.

Bart Bartell of Standard Oil Co. showed a colored movie on the Amazon River Basin. There were 22 Rotarians and five guests present at the meeting in Tahoe Inn. Denis Sach presided.

SISTER ILL

Stanley Zwarg returned this week from Fontana where he, Mrs. Zwarg and the latter's niece, Mrs. Ruth Marks, were called because of the serious illness of Mrs. Zwarg's sister and Mrs. Marks' mother. Mrs. Zwarg is remaining in the southern California city for a few days.

PTA OFFICERS TO BE INSTALLED AT SCHOOL MEETING

On Thursday evening, April 9, the high school cafeteria will be the scene of the PTA meeting and installation of officers for 1953-54.

To be installed at Rex Reid of Truckee, president; Mrs. M. Soltau, Tahoe City, and George Bergen, Truckee, vice presidents; G. Thompkins, Kings Beach, treasurer; Mrs. Rex Reid, Truckee, corresponding secretary; Mrs. Lewis Griffith, Tahoe City, recording secretary; Mrs. Jerry Little, Kings Beach, parliamentarian; Mrs. A. E. Abbott, Kings Beach, historian.

The program for the meeting will open with a pot-luck dinner at 7 p.m. The committee in charge has asked that either an Italian spaghetti dish or green salad or pie or cobbler be brought that evening. Following the dinner and business meeting, Mrs. Albert Sanford has arranged for some films to be shown.

BRIDGE OPENED

The San Francisco-Oakland Bay Bridge was opened to traffic November 12, 1936.

SPRING CARNIVAL IS SHAPING UP

The Tahoe-Truckee High School annual spring carnival is shaping up rapidly for its showing Friday, March 10, at 7 p.m. in the gymnasium. Students will be calling on business people and others in the community for donations for the carnival as in past years. Tickets will be on sale soon.

All classes and school organizations are making elaborate preparations for an enjoyable evening for everyone. The proceeds from the carnival will be used to help defray the expenses of the year book and athletic awards.

At Pollution Meet—

Cecil Edmunds, member of the board, and Joe Mattos, Truckee Sanitary District director, attended a meeting of the regional pollution control board at Barstow this past week.

At Long Beach—

Earl Smith, in the U. S. Navy, is reported to be stationed at Long Beach.

There are 9680 voting precincts in Illinois.

300 WITNESS HIGH SCHOOL BOUTS IN ANNUAL MATCHES

The Tahoe-Truckee High School staged its first annual boxing tournament which was viewed by well over 300 spectators last Thursday.

There were eight bouts which featured the following students: Mike Soltau defeated Stan Rasmussen in the junior bantamweight division. Louie Ramirez defeated Billy Christensen in junior featherweight. Gene Carrillo defeated Pat Griffith in featherweight. In junior welterweight class B, Hugh Van Hooser scored a TKO over Dallas Marquis while in junior welter class A Phil Ebe defeated Bert Faulbaum. In the welterweight division, Charles Smith defeated Dave Coe. In the middleweight class Dave Germain defeated Jeep Reid and Tom Grow was victor over Charles Cozzi in the heavyweight division.

Each of the winners will receive a silver glove. Hugh Van Hooser was voted the outstanding boxer of the evening and will receive a golden glove in token thereof.

Judges for the evening's bouts were Joe Mustol, Jack McGlade and Robert Briggs. The referees were Father P. J. O'Neill and Steve Korich. George Boyle was announcer, Ron Eberhart and Mike Soltau Sr. timers and Jim Brehler chief second. The examining physician was Dr. George Hahn.

All matches were governed by the Amateur Athletic Union boxing rules. The bouts were each three rounds and each round was for a two-minute period.

SLASH DISPOSAL IS MEETING TOPIC

A public hearing will be held at Oroville in the Veterans Memorial Hall at 1 p.m. Monday, April 6, to hear testimony regarding the slash disposal requirements of proposed revised practice rules for the North Sierra Pine District which embraces the area in California east of the Sacramento and Shasta Rivers and north of Bear Creek in Nevada County.

The district forest practice committee announced the hearing from the California division of forestry office at North Sacramento. All timber owners and others interested are urged to be present. John Callaghan at Redding or Fred Dunow of North Sacramento may be contacted for added information.

Easter Vacations—

Mrs. Roy Stallard and children are spending the school vacation in the bay district.

At Capital—

Mrs. William Englehart Jr. and children are spending the Easter vacation in Sacramento.

At Oakland—

Mrs. Martin Sturck and sons are vacationing in Oakland.

Returns Here—

John Reedy, who spent several months at Santa Barbara, is coming back to Truckee to open his motel.

Coming Home—

Mr. and Mrs. Martin Johnson and son, who have been living at Newport Beach, are returning to Donner Lake this week.

Nevada Vacation—

Mrs. Doyle McGinn and daughters are spending the Easter vacation at Hawthorne, Nev.

Valley Visitors—

Mrs. Douglas Barrett and daughters are guests this week of Mr. and Mrs. Ralph Graham at Carmichael.

Bay Visitors—

Mr. and Mrs. Lynn Kishbaugh are visiting in the bay region this week.

In Berkeley—

Mrs. James Walker and children are Berkeley visitors this week.

Return Home—

Mr. and Mrs. John Street returned from a trip to Canada this week. En route home they visited Mr. and Mrs. Robert Sayre in Oregon.

OUTDOOR CONCERT

San Francisco is the only city in the United States which sponsors a year-around outdoor band concert.

TIME LIMITED IN FILING FOR POSTS

Albert Bequette, Placer County superintendent of schools, announces that candidates for posts on the school boards, including the Tahoe-Truckee Unified School District, have until April 15 to file nomination papers.

Thus far, neither V. C. Shattuck of Truckee nor Harold Stark of Tahoe City, the two directors whose terms expire this year on the local board, have filed as candidates and no one else has indicated they will be a candidate.

LOCALS LOSE IN SPEAKING BOUTS

William Walker and John Moore, Tahoe-Truckee High School seniors, representing the Lions Clubs of Kings Beach and Truckee, traveled to Grass Valley last Thursday to take part in the Lions Club zone speakers' contest. Although placing second, both Bill and John brought credit to the local school district. The speaker taking first place was a student from Grass Valley, who had taken first in two previous years.

SINCE 1776

The Presidio at San Francisco has served as headquarters for Spanish, Mexican and American military forces continuously since its founding in 1776.

HERE'S A LETTER THAT JUST CAME FOR YOU--- IT'S FROM JOHNNY BRUTON!

OL' DEADEYE JOHN, MY HUNTIN' PAL! WONDER WHAT HE'S GOT ON HIS MIND!

HEY, BLANCHE --- LISTEN TO THIS LETTER I JUST GOT FROM JOHNNY BRUTON!

"DEAR, JOE--- I'VE JUST DISCOVERED A GREAT SPOT FOR US TO HUNT NEXT FALL! THE PLACE IS LOADED WITH DUCKS, GEESE, PHEASANTS AND QUAIL ---"

HOW WONDERFUL!

--- IT HAS A TEN-FOOT BARBED-WIRE FENCE AROUND IT AND PLENTY OF "NO TRESPASSING" AND "NO HUNTING" SIGNS, BUT WE WON'T LET THAT STOP US!"

--- WE'LL HAVE TO BE CAREFUL GETTING OVER THE TOP STRAND OF WIRE SINCE IT IS ELECTRICALLY CHARGED! ALSO, WE'LL HAVE TO KEEP OUR EYES OPEN FOR AN ARMED GUARD WHO PATROLS THE PROPERTY."

WHAT IN THE WORLD CAN JOHNNY BE THINKING OF?

"THAT CRAZY BOOB! HE WANTS TO GET ME EITHER ELECTROCUTED, SHOT OR ARRESTED! BESIDES THAT, HE KNOWS I NEVER TRESPASS ON OTHERS' PROPERTY!"

Tm. Reg. U. S. Pat. Off.—All rights reserved. Copr. 1953 by United Feature Syndicate, Inc.

BELIEVE IN RESPECTING THE RIGHTS OF OTHERS! TH' GOLDEN RULE HAS ALWAYS BEEN MY STANDARD! WHY, I ---

I-I-I--- LOADED WITH DUCKS, GEESE, PHEASANTS AND QUAIL ---

DEAR, JOHNNY --- ABOUT HOW OFTEN DOES THAT ARMED GUARD GET AROUND?"
